In a quiet forest, there is a little house where the guardian of the Clock of Seasons lives with his family. This magical Clock keeps the rhythm of nature, but it must be recharged with a special key. One day, the key disappears, and the whole family begins to search for it. Hidden in their house, a little mouse has been secretly watching their life. He had taken the key, not wishing to cause trouble, but simply wanting to feel close to them and he returned it. The little mouse becomes part of the family, and the seasons can continue their gentle dance.
